Marshall'**

Management offices at NASA Headquarters restructured

NASA Deputy Administrator Frederick Gregory announced Thursday a comprehensive restructuring of offices within NASA Headquarters. The move, effective immediately, is to align the Agency with the new exploration goals outlined Wednesday by President George Bush. "These management adjustments will give us new opportunities for more effective leadership, policy and program success," Gregory said. For more information, go to <http://www.nasa.gov>.

Alex McCool retirement reception set Friday

A retirement reception honoring Alex McCool for his more than 55 years of NASA and government service will be at 2:30 p.m. Friday in the Center Activities Bldg. 4316. Tickets are \$9 per person and available at the door. For bus schedules and transportation information for the event, see "Inside Marshall."
